Bare CUPBoard

I had never been unfaithful until a drunken office party. I don't know what came over me, but these two guys led me to another floor, where they had a key to a stock cupboard.

Once inside, the lads and I were kissing and groping each other. My dress got unzipped, so I stepped out of it – it was a great thrill to

was about to be unfaithful for the first time, and with two guys to boot, but I didn't care! All I wanted was my hole drilled by these two studs!

I got down on all fours and slurped one dick into my mouth. A few seconds later I felt the second lad's cock line up at the entrance to my pussy, and then ram in! I was on a fucking cock-spit between these lads and I was loving it!

I bobbed my head up and down on the cock in my mouth with the ferocity of the

fucking from behind. That lad's thighs were slapping against my arse as he drove his cock in me, deeper and harder than I'd been drilled for years. I was already cumming before he reached for my clit with his fingers, and when he did I was there with a bang!

When I like a bloke I go for it, and my mate Ellie is the same, so it's a wonder we've only shared a man in bed once.

The lucky bloke was called Steve and we pulled him at a nightclub. I don't know who started flirting with him first, but he was loving the attention from the pair of us, and when Ellie asked him straight out if he was coming home with her, he said only if I was coming too.

It was so fucking sexy – I was lying in between his thighs, playing with his cock and balls, while Ellie was just straddling him, her tits shoved in his face, rubbing herself all over his body and leaving a mess of sticky juices all over his belly.

Next thing I knew, she was

backing down even further, her legs splayed wide, and I started wanking his cock against her moist slit and

crack. He was straining hard and she was moaning out loud as I teased the pair of them, making them wait before I finally fed his prick into her hole.

Even when they started fucking I didn't leave him alone – I was fondling his balls as he sank his prick in deep. And obviously it was

"his face up your twat". I told her I'd fancied copping a feel of her, simple as that.

I got to do even more when she rode Steve to a powerful climax. She got off his cock and stretched out on the bed, moaning that she hadn't quite got there herself before he'd shot his wad up her twat. She was fingering herself, playing with the spunk oozing out of her fanny, and I hauled myself up off Steve's face to give her a licking.

I sucked and lapped away at her for what must have been ages, gulping down Steve's creamy mess as her

I love having threesomes – obviously it's best for me when I'm screwing two blokes, because there's always a hard cock when you need it.

But I was happy to mess around with Ellie whenever Steve needed a bit of time to recover from satisfying us both...

juices washed it out of her. Then I jammed three bunched-up fingers into her hole, pumping them as I sucked on her clit. I've often wondered how it feels for a bloke to have a woman cum around his shaft, and the way Ellie clenches when she goes off like a rocket must be hard enough to have set off a few spunk blasts.

I soon lost my focus and I reached back to frig my own clit as Steve fucked me. He was grasping my arse tight, squeezing and shoving my

such a turn-on to see two people screwing this close up.

I wanted in on the fun myself, though, so I moved up the bed and straddled Steve's face, letting him take a couple of little licks at my twat first, before sinking down to grind away on his mouth. Ellie was bouncing around on his prick, her tits jiggling about like mad, so I cupped them in my hands and leaned forward to snog the face off her.

She teased me, asking why I was bothering to do this when Steve wouldn't be able to see us with, as she put it,

I wasn't leaving Steve out – as soon as he could handle having his cock touched again after cumming, he grabbed my hand and, with his own slapped over it, started using it to wank himself. I loved the feel of him hardening against my palm, his skin still moist and sticky from Ellie's fuck cream.

When I couldn't get him any harder, he got in behind me and started wanking against my slit, frustrating me like I'd done to him and Ellie – I was just dying to feel that lovely fat prick inside me. He couldn't keep that up for long, though – I didn't have to ask

Bathing Booty

We went on holiday with my friend and her husband and she's always chuntering on about what a big cock he's got.

After too much to drink one afternoon I decided to stay by the pool of our villa while the other three went to the beach at lunchtime.

My friend's husband came

me to turn over, which I did, leaving myself completely exposed to him.

He put his head between my legs and started to lick me out. I held his head till I came all over his face and then he stood up and pushed his trunks down.

Fucking hell, I could see what she meant. It must have been at least ten inches with a big fat purple head that was absolutely seeping and glistening with pre-cum.

He moved this beast up to my head pointing his massive cock at my face and said, with a toothy grin: "My turn."

I gladly licked all around the tip, savouring his saltiness. I only managed to get

back to see if I was going to come to the beach.

I declined but asked if he would rub some sun cream on my back. Before he left he began to rub it on my back and then started on my legs, moving his hands up my thighs until I felt him rubbing between my legs for a moment, which made me jump.

But I never complained so this time he did it again – only much firmer and for a bit longer.

He could see I wasn't going to stop him so he put his hands on my bikini bottoms and pulled them off. He asked

He asked me to open my mouth and started wanking

my tits. There was absolutely loads of the stuff. It was like he hadn't had sex in a year. But I don't think he was the kind of man to go without for that long.

After he'd finished he did no more than pull up his trunks, say thanks and go back to the beach, leaving me covered in his spunk while I frigged myself to another orgasm.

Door to Whore

Ever feel you've been set up? I'm a 21-year-old student and I got a holiday job doing door-to-door sales. The work was a pain in the arse - you get told to fuck off so often that you

was a lesbian. They'd agreed that Karin could fuck men, as long as they were one-offs and she was honest with Michelle. And how much more honest can you get than screwing someone while the other person watches?

Karin explained that, while Michelle would be joining us in the bedroom, Karin would be the only one I'd get to screw. I didn't mind

of blokes ever get to do with a couple of women!

I was a little bit nervous, thinking Michelle must just put up with Karin fucking blokes and not be too pleased I was there, but she actually seemed to get off on the idea of watching Karin take my cock.

They decided to start things off together, which was a relief for me as I was a bit nervous. Karin did a

learn not to take it personally - but it was still nice when a woman, whom I'd say was in her mid-twenties, actually told me to come back later when her partner was home.

I was expecting a bloke, only to find out it was another woman. The first one, Karin, said, "Either you can spend an hour trying to sell us shite we don't want, or you can spend it screwing my brains out."

I must have looked shell-shocked, because she explained that she was bi, while her partner, Michelle,

they start snogging, boobs squashed flat in between each other's bodies, Karin slipped her fingers into Michelle's cunt. Michelle bucked against her hand, trembling as she finally orgasmed,

- Karin was more my type anyway, and just watching the pair of them get stuck into each other is more than a lot

slow strip for me, then got her girlfriend naked, kissing and licking whichever part of her she'd just undressed. As

and Karin looked me in the eye as she licked her own fingers clean.

I knew my turn was next

and I was hard and ready for it.

Wanking myself, I laid down on the bed, next to Michelle, who was all zonked out from her orgasm. Karin straddled my crotch, using her hand to rub my tip over her slit, then finally putting me inside her.

She rode me, not too fast, clenching her pussy muscles as she sank down, squeezing my cock as she took it deep.

But I was still having trouble keeping control of myself. I got her to stay still by meshing my fingers in her hair, and gently pulling her down for a snog. Then I sucked her nipples one at a time.

She kept on pressing and squeezing my prick with her inner walls, until I decided there was no shame in cumming anyway! I grabbed her by the hips and slammed up into her, her tits slapping against her ribs as she bounced up and down, then I was spunking hard and deep inside her.

I'd been so carried away, I'd hardly noticed Michelle wanking her already juiced-up twat right next

to me, until she took out a vibrator and started rubbing it over her clit.

Once I'd cum, she switched it off and let me have a suck on it, to get a taste of her juices too.

Immediately Karin had hauled herself off my length, she swivelled round so she was sixty-nining her girlfriend.

I watched as spunky wetness dripped out of her cunt and into Michelle's mouth, Michelle smacking her lips as she swallowed it down, then pulling Karin down hard so she could suck it out directly.

It's a real shame part of their pact was that Karin couldn't fuck the same man twice, but there was plenty to take my mind off what I was missing when I went back to Uni after the holidays!

REAL WIFE SEX

Kirstie,
Cornwall

Suck in the middle with you! Lucky Eddie from Cornwall confesses to a craving for cunt cream...

Some blokes only go down in the hope that the girl will return the favour. I do it because I've been hooked on eating pussy ever since my first lick! I love the taste and feel, everything about it, and the juicier the pussy the better.

I don't just dive in, though – I'll take ages over kissing and playing with her tits, getting her so worked up she's desperate for anything inside her, even if it's just a finger at first. Then I'll just tease the outer folds, so her clit is throbbing ready to explode by the time I finally get around to sucking on it.

I stuck my tongue in to the root and fingered her nub

Some girls are so starved for a licking off their blokes that they don't know what's hit them when I give them the full treatment. One woman, Ellie, was just spread-eagled on my bed, using her fingers to pull her snatch as far open as it would stretch. She was already running wet, juicing down her arse-crack, and then I got stuck into licking her...

She was writhing and pretty much sobbing with pleasure as I stuck my tongue in to the root and fingered her nub. Then she started cumming, pulling my face into her crotch until I thought she'd smother me. Even when she was overloaded by sensation, shivering at every touch, she wouldn't let me pull away.

That was just a one-night stand – she went back to the other half who never bothered to taste her twat any more, though she let me snap a photo of it, which did quite nicely when I fancied a cheeky little wank!

Then, a couple of months later, I met Kirstie. That was meant to be a casual fuck as well, but she kept coming back for more and I was happy to oblige. I felt she was hiding something from me, which she was – a girlfriend called Suze!

They'd been together a couple of years and Suze tolerated Kirstie playing away with blokes. Then she started having feelings for me and said it wasn't so much my dick that turned her on as the fact I was the only person who'd ever come close to Suze in the pussy-

FLUTE JUICE!

munching stakes! Kind of a weird compliment but I took it the right way!

They had an honesty pact and Kirstie wanted me to meet Suze, so I went over to theirs. I felt nervous, like I desperately needed Suze's blessing or something, and got this vision that she'd be this big, scary dyke. Well, she wasn't someone you'd mess with, but she turned out to be really petite and a lot more "ferm" than I expected.

The other thing they kept from me was that they wanted a threesome – of sorts. Suze didn't fuck blokes but she liked to watch straight porn and hear about the cock that Kirstie took, so now she wanted to see her first live fuck show!

There was something about her – nothing that would've made me ditch Kirstie,

but as my dick ploughed into Kirstie's cunt, I kept looking over at Suze. She was sat naked, playing with her snatch,

**This lezzie girl
was getting a
taste for spunk**

and when she shot me a sly smile, like I was approved, I felt my cock jump inside Kirstie.

She was moaning – then even louder as Suze came over and sucked on her tit, while I took the other one. That soon tipped her over the edge and got her cumming hard. Then her pussy

clenching even tighter round my shaft virtually pulled me off about a minute later.

I withdrew so Suze could see me spunk, but she told me to stick it back in Kirstie's hole. I spurted out the rest of it inside her, then moved aside. Quick as anything, Suze was crouched in between Kirstie's thighs. Another thing I didn't expect – a lezzie girl getting a thirst for cum.

Not enough to turn her on to shagging cock, sadly for me, even though I was up and ready in hardly any time. They switched over so that Suze was laid out on the covers with Kirstie's cute arse planted over her face. I'd actually call it

TRUE BLUE

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Focus groups weren't keen on the new Peppercorn

Curvy Melody was a BBW escort for seven years before spinning her experiences into laugh-out-loud gold as a stand-up comedian

Interview by Rose Crompton

It was the turn-on of my prostitution fantasy that initially attracted me to the escort business. Sometimes I'd imagine I was the prize in an anonymous poker game, laid on the table and fucked amongst a sea of cards, chips, cock and cigar smoke.

The reality of it was more technical. I had to learn how to market myself and how to use various listing sites. I managed to find a niche though. When I first started there were only a handful of BBW (Big Beautiful Women) escorts in the industry and we all had something different to bring to the table, so we weren't in competition.

It was my size that dictated the type of services I offered and the sort of clients I attracted: I got a lot more submissive men. I thought I'd be doing The Girlfriend Experience mostly, but my first few calls were requests for domination. My particular 'speciality' was being BBW, so I got asked to do lots of squashing, where I'd sit on a man. This came in various forms: some liked to endure it a long time, being used as furniture while I watched a film and ate pizza. Some preferred wrestling, so I'd pin them down or jostle them a bit.

Face-sitting was hugely popular. There's something about burying your face into a woman's vagina and being enveloped by soft, warm, moist pussy that makes a man want to get lost in it for hours. It's also no secret that I love receiving oral: I've dedicated whole passages to it in my blog! To me, gripping my hands around a man's head and pushing down on that tongue is the best way to make me cum, so my cunt is wet and tight before slipping his hard cock inside me.

There's no doubt that I always enjoyed the sex, even the awkward fumbling sex, because I'd hope they would walk away having learnt a bit more. Sometimes it was out-of-this-world amazing, like one client who enjoyed meeting in a swingers' spa. There was lots of screwing in the sauna before going upstairs and showing off to the crowds! It was my first experience of exhibitionism, a trial by fire but great fun!

Another great experience involved an elaborate role play, concocted with a

Unchained Melody: larger than life

Washing up always seemed more fun with Melody

regular submissive. He was in London for a meeting. I dressed sternly in a pinstripe skirt suit, glasses, my hair in a bun and red lipstick. He'd set it all up behind the scenes to make it look like I worked for a massive investment firm, so all these other suits had to schmooze me. For him, it was a kick watching me 'dominate' his work colleagues.

Once everyone had gone for dinner, we slipped away. I tied him to the bed and unbuttoned my shirt, so my breasts were bulging out of my corset. Taking the headband from my bun, I tied it around the base of his cock to make sure it stayed nice and hard while I slipped the condom on and started to ride him.

Thrusting my breasts into his face, I explained that he was my fuck-toy, nothing more than a human vibrator for me to use, which only made him harder. He was begging to cum, but he wasn't allowed to before I did.

I untied the ropes, laid back on the bed, opened my legs, and gripped his head to push it into my clit. His tongue swirled around as he dove in.

After I came on his face, I made him wank while he knelt on the floor. I told him he could cum on my feet, but he had to lick it off afterwards. Counting down from ten to one, he couldn't help exploding at four. For this, he had to give me a 'cum-early' tax – although I'm pretty sure he could fiddle this one on expenses!

There were some embarrassing times too, like the guy who used my minty shower gel, but didn't wash it off properly. He was surprised when I didn't want to go down on him. "But it's all minty, I thought you'd like the taste," he said. "No, it smells minty, but it tastes like shower gel. You're supposed to wash it off, not use it as a marinade," I explained.

Would I ever go back to it? Maybe. The comedy is going well, and I'd love to see where it takes me, but as I'm in my 'dirty thirties' now, maybe I'll just slip into a hotel for a few days, pull up a pseudonym and explore just a few more fantasies before I totally give it up! SOPHIE

TOP LASS!

No need for the hi-vis jacket, Sophie – we can see you perfectly clearly! The big-boobed babe should really take one on the dogging sessions she goes to in dark lay-bys and parks. "There's something so horny about sucking a cock and not knowing who the hell it belongs too. Sometimes I look up and think, oh, he's not the type I'd normally go for but it gives me a thrill to think this bloke has just had a great suck off a girl he'd struggle to pick up in a bar!"

ROXXY

"I'm supposed to be having a duvet day!" cooes Roxy. "So come and join me. The sheets are all sticky because my husband gave me a good seeing-to last night. He's told me to stay naked for when he comes home from work because he wants to fuck me hard again but I've got other ideas. These photos for a start. And then my neighbour is going to pop round to keep my pussy from tightening up! My husband hasn't got a clue!"

MIA

We like Mia. A lot. That flowing blonde hair. Those pert, peachy tits. That suckable, fuckable arse. And she seems to like it too, judging by the time she's spending looking at the lot in the mirror. "How else are you supposed to get your technique right?" she asks, bouncing up and down on her fingers. "I want to see what he's seeing. Don't you boys ever 'practise' in front of the mirror?" Erm, we think that might put us off sex for life, Mia!

Good lay-By

My hubby and I had a weekend away recently, having plenty of sex in all sorts of places:

and from the bulge in his trousers he had enjoyed what he had seen.

His name was Frank and when I told him I would love to suck his cock he invited me, and hubby Brian into his cab.

There wasn't a lot of room in the cab, but we managed. As he was a long distance lorry driver there was a bed in there.

I sat down and unzipped his pants and pulled his big cock out. I began to suck him off; while

on the beach, in the woods, in the pub car park, a real good sexy weekend all round!

On the way home I was still feeling horny so I asked my hubby to pull over at the next lay-by. I took my knickers off and told him to come round my side of the car and lick my pussy.

I opened the car door and sat sideways on the seat. He knelt down in front of me and sucked away. I came quite quickly and screamed loudly. When I opened my eyes there was another driver standing there – we hadn't noticed a lorry pull up behind us.

The driver had been standing there watching us

I was doing this Brian had spread my legs and had his fingers deep inside me.

I was getting very wet and needed fucking. Frank lay down on his bed and I got on top of him.

His cock slid deep inside me, my juices dribbling down to his balls.

Brian put his cock in my mouth and I sucked on him hard. I then demanded a cock in my arse as well, so Brian came up behind me and gently eased his cock up my sexy bum hole.

As soon as his cock went inside me I came long and

I WAS GETTING VERY WET AND NEEDED FUCKING

hard. I screamed loudly and my juices flowed wetting Frank through.

We carried on fucking until both of them shot their load inside me, and when this

fist fuck me. Frank got there first and eased his fingers into me gently, pushing them deeper into me until he had managed to get his whole fist up there.

While he gently fist fucked me, Brian twiddled my clit and we carried on like this until I came again.

My juices splashed out of me wetting his bed but I was loving it and didn't care.

We swapped phone numbers and when he's next in our neck of the woods, he said he'll ring and we can

pick up where we left off. I can't wait.

happened I came again.

I still wasn't satisfied and asked if one of them would

BONNIE

MANCS FOR THE
MAMMARIES

Derby day in Manchester and who does Bonnie cheer on? Not the reds or the blues on that particular Saturday – she's more likely to be rudely encouraging her boyfriend and his mates to bang her into the middle of next week. "My fella used to watch matches religiously. But now I provide his entertainment for him and his mates. It's end to end stuff. believe me," she winks. "And it takes a lot to drag a Manc away from the game so I must be good!"

ALAS, MY POOR BOLLOCKS

I prefer smoking Hamlets to watching them, but busty bookworm and Shakespeare fan Brooke in her *Hamlet* pose (right) may convert us yet. It would be a tragedy if you didn't go right now and check out her performance in our centre pages. Her Globes are fantastic, but I particularly enjoyed her *Coriolanus*.

MEET THE MUFF DIVERS!

Short of a great white shark gliding through the pool, there's only one way to improve ITV1's celeb-drenched damp squib *Splash!* What's that? Naked girls belly-flopping from the ten metre board with a bit of synchronised pussy licking thrown in for good measure, of course!

NEED A RIDE?

Tanya Tate demonstrates a failsafe way for a girl to cadge a lift. What self-respecting scaffolder would turn down the offer to scramble all over these massive structures? Anyone who knows of Tanya's current whereabouts, please let us know.

Dear Julia

Wow, loved the pics of Sophie from Wilmslow: very nice! She could bum fuck me anyday! Please try to get her in the magazine again soon. She's hot and naughty!
Glenn, Cannock.

Julia says: And so are you, Glenn! I hope you managed to sort out some contact fun with strap-on queen Sophie.

Judging by her pile of con-mail, you won't be the only one walking like Charlie Chaplin this month.

Soph: 'ucking hot

Dear Julia

I have been wank-ing furiously gazing at pics of Perri with her tits out and legs akimbo and emptied my sack on many occasions. It makes a chap proud that she's so behind our forces.
Malcolm, Basingstoke.

Perri eh? Water girl

Julia says:

DEAR JULIA

I'm really frond of you!

I bet you'd like to put your proud chap with force in her behind, you mean!

Dear Julia

This is an SOS! As the No. 1 fan of Sue from Great Yarmouth I have been through hell

in 2012. This is because you only featured her once! Please come to my rescue for 2013!

Sin cycle

When my boyfriend Tony wanted to go off on a cricket tour with the lads, he bribed me by buying me a new washing machine.

One day, a mate was sat with me in the kitchen when it kicked into the spin cycle. We burst out laughing for the same reason, though she was the one who actually said I should sit on it and enjoy the vibrations. "As if..." I said.

One night, alone, I was sitting around, nude under my bathrobe. As often

happens my fingers were wandering, and I decided to get my toys. I'd put some washing on, and as I grabbed them from the bedroom, I heard the machine start.

once. I used my hands to spread my arse cheeks wide, so the bottom of my butt plug touched directly against the machine, and it felt so fucking incredible – the vibrations shooting up my arsehole, tickling like crazy.

I switched on my vibrator;

I wondered, "What if..." then burst out giggling. I slipped the butt plug up my

arse, which made my fanny feel so tight when I pushed the lubed-up dildo inside it.

Then I heard the machine start to spin. I hopped on it – just for the sake of trying it

while the dildo rubs away inside me. Immediately my entire crotch started tingling, sensations shooting through me until I came to a screaming orgasm.

When Tony got back, he

Mail glaze

Recently, I started receiving dirty emails from a total stranger, more and more explicit each time.

I reckoned it must be some sort of scam, so I enjoyed them but didn't reply. Then one night I came in from the pub to find a new email. This had her from behind, the dildo in her cunt and a finger up her arsehole.

I got myself as rigid as I could, then I grabbed my camera phone and snapped a picture of my cock. I uploaded it, sent a reply, then took a couple more of myself wanking, and spunking in my hand. I even got one of my jizz-smeared cock next to the dildo picture on screen. I saved them to send if things progressed.

The email thing went on for

another week, swapping dildo and wank pictures. Then I got a note asking to meet up in a certain pub.

I got really paranoid –

but couldn't place her – then realised she was Hannah, the PA to one of the managers at my firm.

She said she'd fancied me for ages, and reckoned I might appreciate the forward approach! I got her a drink but it felt weird, the two of us sitting there making small talk when we'd already seen each other cum!

She lived just around the corner, so we went back there and took it straight into the bedroom.

She lay back on the bed, legs spread and with her twat freshly shaved. But I told her to get on all fours. Those were the pictures that had got me tossing in a frenzy.

Hannah was absolutely mad for a hard fucking – I reckon you'd have to have a pneumatic drill with a vibrator on the

end to truly satisfy her!

I couldn't deliver what she wanted without cumming too fast, so I decided to go for the dirtier option. I reached out and grabbed hold of some lube, squirted it on her arsehole. She looked back at me and smiled, thinking that I was going to fuck her arse. Instead, my cock still deep

wanted to fuck me while I was sitting on the machine.

I got him to put the butt plug in me – he loves playing

to make sure he wouldn't slip out as we juddered against each other. I was clamped around him and his hands were grasping my arse tight, pulling my cheeks even further apart as he buried his prick in my snatch.

I started cumming first, my twat tightening like a vice around his shaft, then spasming around me as the vibrations shot through me. They hadn't quite died down when Tony started shooting his load, and as the machine

whirled to a stop all I could feel was his warm spunk jetting out to fill my hole.

He'd cum so hard he didn't trust himself to carry me to the bedroom, but once we'd made our way in there, we soon found the energy to turn each other on again...

with my arse – and we timed things so we'd get into the rhythm of fucking a couple of minutes before the spin. I perched on the machine facing Tony, with my legs around his waist, holding him inside me. And I had to clamp them seriously tight when things got moving, just

in her juicy cunt, I started fucking in and out of her tight arsehole with one of her toys.

She buried her face in the pillow to muffle her cries of pleasure. And as I felt my climax start to build, I buried all but the last inch of the toy in her arse, and pounded her cunt, fucknig her as

frantically as I could, really letting go.

I came before she did, but only just – the hot wave of spunk set her off again, and her body quivered with pleasure as I spurted even more inside her.

We've been shagging ever since.

Harry, Bristol.

100 all out

When someone calls me a slut I take it as a compliment – at least I'm honest about how much I love sex.

A couple of months back I celebrated shagging my hundredth bloke. I was determined it should be extra-sexy and memorable, so I went up to London for the weekend.

By 2am I was in bed with a bloke called Ryan. He was fucking me slow and deep – I could see from his face that he was trying to hold back.

No matter how much I begged him, he wouldn't fuck me any faster. I decided that if he wanted to take it slow and easy, I'd kick things up a notch. I raised myself right up off his cock, which was coated from tip to hilt with my juices, grabbed it in my hand and started playing it around

pink ring. When I sank down on it, I got the moan I'd been waiting to hear, and it didn't matter how fast or slow he gave it to me this time: all I needed was my own fingers on my clit and my bum

crammed full of his hard, thick length to have me cumming my brains out within a minute.

As soon as I'd orgasmed,

I COATED HIM FROM TIP TO HILT WITH MY JUICES

the entrance to my arsehole.

That didn't get me much more than a wicked grin,

Ryan started thrusting harder and faster into me – not quite as hard as a bloke would

shag me up the pussy, but it got him there anyway. He asked me could he cum inside my arse, and I answered him by clamping tight around his shaft and wiggling back against his crotch. One second later I felt a hot, wet burst, which seemed to go deeper inside me than I'd felt before.

After that first fuck, Ryan seemed to relax – enough that I could take the time to congratulate him on being my

so I swivelled round to face his feet. Now he could see what I was doing to him, the sight of his fat red cockhead bumping up against my tight

hundredth man.

And that seemed to give him the green light to be as dirty as he liked with me!

REAL WIFE SEX

Eddie's story continued from page 21

torment, seeing Suze's pussy all wet and ripe for a screwing, and knowing it was forbidden. But Kirstie soon snapped me out of it.

Kirstie was too caught up in licking snatch

She had me straddle Suze's body – Suze squirmed a bit as my balls dragged over her belly, but she didn't protest.

Then Kirstie snogged me and I groped her boobs as her hand found my hard cock.

Calling it a consolation wank would be selling it short – I just went with it, let Kirstie toss me almost all the way off. I wasn't sure where it was leading but she kept on, even when I moaned I was cumming. Seconds later I shot my load all over Suze's tits – and Suze didn't seem to mind that either, maybe cause she was so caught up in licking the snatch over her face. I saw what Kirstie meant now – Suze and I shared a real love of licking!

That was me finished for a while, and Suze stared a bit blankly at my jizz when Kirstie got off her face, like she'd suddenly remembered she was a dyke, so what was she doing with spunky tits? Even though she'd been happy to lick some out of Kirstie earlier. But when Kirstie started to play with it she decided she liked it again. She wasn't stacked enough to eat it off her own boobs, so she let Kirstie "snowball" her a mouthful with a kiss.

Next time I saw Kirstie was at my

place. I said I'd liked Suze – the feeling had been mutual apparently – but I'd felt a bit left out of the licking. She said her pussy was all mine, all night, and kicked off by straddling my face in a sixty-nine. I should add that she's

phenomenal at sucking cock, but even if she hadn't touched it, the feel and flavour of her musky-wet snatch would have had me jizzing all by itself...
